DIPLOMA IN HEALTHCARE ETHICS & PROFESSIONALISM ~ SMDC WELCOMES NEW COHORT

The 3rd cohort of the Diploma in Healthcare Ethics and Professionalism (DHEP) 2023-24 was inducted at SMDC, Lahore. Dr. Sarosh Saleem and Prof. John Lantos, as the Program Directors, welcomed and introduced the dedicated team of international and national faculty who run this one-year-long hybrid course approved by the University of Health Sciences, Lahore, Pakistan. The new cohort showed enthusiasm during the first contact session.

BIOETHICS SOCIETY OF PAKISTAN

On May 27th, 2023, the Bioethics Society of Pakistan (BSP) was launched. The aim of this society is to bring together healthcare and other professionals in Pakistan on a single forum to deliberate, collaborate and educate about ethical issues. The hybrid meeting to launch BSP was attended by physicians, nurses, allied health professionals, and ethicists from all over Pakistan, representatives of international bioethics associations. International participation and prospects of collaboration were appreciated.
